

## Eastlea Primary School KS2 SATs results 2019

**We were delighted with the outcomes for our pupils in terms of comparison with national averages and also the high rates of pupil progress. This reflects the hard work they have shown and the dedication of the staff across the school to ensure that the children achieve the very best which they are capable of.**

Please see the table below to see how Eastlea performed including how we compared with other schools nationally. \*A scaled score of 100 is the 'expected standard' for the end of the key stage – anything above this figure is above the expected standard – something the Eastlea pupils achieved in all subjects!
